Vintner's, Inc.'s first business license was issued February 26, 1990; a second was issued June 24, 1990. To be issued by both companies during the Vintner's, Inc. business, the license must provide for a separate business entity, with the "business" term limited to the "Business Partnership Agreement". By November 1996, when the new entity became Vintner's, Inc., it was issued five additional licenses to perform operations under a business partnership agreement. The fourth licensed business, AvantiVintner's, Inc., was formed July 2, 2000. According to the Business Partnership Agreement, Vintner's, Inc. will continue in its role as the sole registered owner of the company, as well as conducting all business practices necessary to operate each day the business name is registered as AvantiVintner's, Inc., under the name of Vintner's, Inc.. Overview of the Business: The company is an international, full-service, wholesale, retail, commercial and restaurant restaurant provider located in Kansas City, Kansas. While the company only operates out of Kansas City, Kansas, its company website displays Kansas City as the region within the company. AvantiVintner's, Inc. has also recently added an office location in St. Louis, Missouri. There is no formal statement of purpose for the company outside of its website or on its telephone number..
